English translation: *The King shall rejoice in your strength, O Lord; and exults greatly in thy strength! You have given him his heart's desire and have not spurned his request. For you bring him rich blessings and set a crown of fine gold on his head. He asked for life and you gave him everlasting years. Through your help his glory is great, and has been bestowed with majesty and splendour. You have given him blessings for ever and made him glad to be in your joyful presence.*
