Tenor I

Tenor II
O - - - ve tra l'her - - - - - be_e_i fio - - - ri,

Bass

Il Trionfo di Dori (1592) was the original Venetian collection of madrigals by 29 contemporary composers which inspired Morley to organise a similar English collection, *The Triumphs of Oriana*, published in 1603. This particular madrigal was parodied by Morley as *Hard by a crystal fountain* (also available).
