

Exultet jam angelica

Let the angelic choirs of heaven now rejoice;
Let the divine mysteries be celebrated with joy;
And let the trumpet of salvation resound for the victory of so great a King.
Let the earth also rejoice, illumined with such resplendent rays;
And enlightened with the brightness of the eternal King,
Let it feel that the darkness of the whole world is dispersed.
Hast thou eyes of flesh? Or seest thou as man seeth?
Let also our mother the Church rejoice, adorned with the brightness of so great a light;
And may this temple resound with the joyful voices of the people.
